LLANO COUNTY.

unty is in western Texas of Burnet, the present ter-he Austin and Northwest-

s, in many places, are com-solid granite, and rise into s; and from the top of one Dancer mountain—a view even surrounding counties, presents a panorama of plain, valley and dell, and picturesque and attractive. d growth of live oak, post pecan and elm is found in the tax and disposition thereof as diparts of the county, and in rected by the court, in all things com-by the mountain sides are the dense cedar brakes. The beautiful than the strict letter of the law, under the order of the commisfor the most part, short by, and suitable mainly and fencing, but is used for

ng of log houses, and some orado River bounds the onvenient on many of the The lands most esteemed for the valleys or "flats" at the d mountains, which, it is comprise about one-fifth of area, and the soil of which d mountains, which, it is comprise about one-fifth of irea, and the soil of which rich, friable loam. Until least five years this was expected by years this was expected by the control of the parties who is mountains, which, it is and is no longer a joke."

The friends of Captain W. feel assured that when the facts in the case are made known to the parties who last five years this was exn, oats, melons and vegetavorable seasons, return a d. Late vegetables somesuccessfully grown, and riblarge size has been raised, mest quality of syrup made The crop of pecan nuts is d generally more abun-on alternate years. alternate years, suitable for farms,

ight at from \$1 to \$4 per

is a high school at Liano, which sustained, and the public free are provided in the county for astic population of 1,143. The list Episcopal, Protestant Meth-Episcopal, Christian, Baptist imberiand Presbyterian denonycomber and conveniences for county, and conveniences for its worship are moderately good in squal improvement has kept the the increase of population aith, and law and social order. I liano, the county seat, is ally located on the south bank, for river, and has about 500 ints and a good local trade. The levies a tax of twenty cents on land has a social order of the population of the law. It is impossible to conceive of a code of laws perfect in detail and operation, and it remains to be seen if the people would, ratify an be seen if the people would, ratify an amendment to the constitution modifying degrees, the winter about live degrees; the mountain air is g and pure, and the county is for the salubrity of its climate.

MARION COUNTY.

A Sheriff in Durance. Correspondence of the Gazette,

JEFFERSON, January 12, 1883.

Our worthy and efficient sheriff,
Captain A. U. Wright, was arrested
here yesterday on a warrant issued
from the United States court at Tyler, from the United States court at Tyler, for an alleged contempt of court. The making of his bonds for his appearance before said court was but the work of a few minutes. The facts leading to his arrest are as follows: Our commissioners' court (under a mandamus from the United States court at Tyler, for an alleged contempt of court. The making of his bonds for his appearance before said court was but the work of a few minutes. The facts leading to his arrest are as follows: Our commissioners' court (under a mandamus from the United States circuit court) levied a special ad valorem tax for the payment of a judgment obtained in said United States court at Tyler in favor of J. H. McLean, and ordered the sheriff (who was at that time also collected under this special levy to the agent or attorney of the said J. H. McLean, and to make such payments to such agent or attorney so soon and solid granite, and rise into s; and from the top of one Dancer mountain—a view of of the whole of Llano and even surrounding counties, e presents a panorama of the receipt of said agent or attorney so soon and so often as he should have in his hands the sum of \$100, collected under this levy, until the judgment, interest and costs of suit should be satisfied, taking the receipt of said agent the receipt of said agent or attorney for each and every payment so made. Capt. Wright proceeded to the collection of

sioner's court. The alleged contempt of court, it is claimed, lies in the neglect of the collector of taxes to turn over the money so collected under special levy to the officers of the United States circuit court at Tyler, as directed in the writ the east. The Llano River, of mandamus served upon the com-

the east. The Llano River, am of pure, clear, unfalling as nearly centrally through st to east, and Sandy Creek ross the southern portion, acy, Little Llano, San Feroinnson's, Pecan, Six-Mile, Hickory Creeks flow into to River, and Coal, Silver, Walnut, Comanche, Crabd Cedar creeks into Sandy, these streams are fed by bold from which water for domesoses is generally obtained, sells and cisterns are used in sof the county. The mean ells and cisterns are used in s of the county. The mean infall, as registered at the ates signal service station at the adjoining county on the 1,90 inches, and is so distribution in sure abundant crops of the county of the county. The mean infall, as registered at the and in obedience to the order and direction of the county of the county. The mean infall, as registered at the and in obedience to the order and direction of the commissioner's court. The captain, who is an active and including the county of the coun in, but crops maturing in late | feels just a little awkward in the atti some seasons require irri-which the facilities are am-orvenient on many of the The lands most esteemed for the lands most esteemed for joke him on this point he says, "When he valleys or "flats" at the streams and at the foot of fellow's pocketbook it has gone too far

stock county, but agriculsuming considerable impor1878, wheat yielded twenty the acre, and in 1880 the op was about 2000 bales, and on ats, melous and vegetatropic agriculture and the state of the county distribution in the control of the county of the case go before the case go before the case go before the case go before have obeyed the order of the court, levying the tax under which this money eld. Late vegetables some-pire irrigation. Peaches and mandamus under which such levy

COMMERCIAL. GAZETTE OFFICE, January 15, '83. Coincident with the assembling of every Texas legislature since the adopcultivated land, with im-cultivated land, with im-s, for from \$5 to \$7; and has been considerable discussion in \$7.00@14.00. ments, for from \$5 to \$7; and atter ents for one-third the grain one-tourth the cotton. Ordinary enemge costs about \$200 per mile; lumber from \$30 to \$40 per 1,000 per mile; lumber from \$30 to \$40 per mile; lumber ore has been found in several may be combersome and defective in certain of their operations, but there is no denying these acts are wholesome in some respects. But like all beneficient of the county, very Extensive beds of iron and ore exist in several parts of the Specimens of the former, from Lountain, are said to contain fixe per cent of pure iron, equality to the best Swedish iron: becimens of the latter from mine on the head of Pecan sayed \$300 worth of metal to b. This mine is now being with improved machiney.

The certain of their operations, but there is no denying those acts are wholesome in some respects. But like all beneficent lik s, and gold in the bed of Big certain of their operations, but there the, granite, marble, steatite commerce. The merchant who builds r valuable stone, exist in imfor himself and family a dwelling mantities, but owing to the takes out of his business so much of railroad transportation, no the scentities that are the basis of his has been done, except in a credit. It has frequently been observed that the people of Texas pay more River, more than one hun-attention to the details of their busi-thin the county, and Honey adornment of their bames, and th furnish fine water power, we might search further than the exs been utilized and applied to
of flouring and grist mills
in gins,
is high school at Liano, which
using a property of the cause without of finding out, it would pertage to a secretained that property exstanged and the public free
